

## MINE UPDATE

### EAGLE GOLD MINE MEDALLIONS

Victoria Gold is pleased to commemorate the journey of its Eagle Gold Mine from discovery through to production with one-ounce 99.99% gold and one-ounce 99.99% silver medallions.

“The Eagle Gold Mine is leading the Yukon’s New Gold Rush,” says Victoria Gold President and CEO John McConnell. “The Victoria Gold team is so appreciative of Yukoners’ support throughout the years and we wanted to offer a unique way for everyone to be able to own their piece of the largest gold mine in our territory’s history.”

The one-ounce gold medallions are presented in a commemorative package, which features photos of the Eagle Gold Mine and celebrates Victoria Gold’s valued relationship with the First Nation of Na-Cho Nyak Dun (FNNND); within whose traditional territory the mine is located.

The First Nation is also featured on the gold medallion highlighting Victoria Gold’s commitment to balancing responsible development and the mine’s opportunities with FNNND’s traditional, cultural and environmental values.

“We hope that Yukoners are as proud of the opportunities and benefits the Eagle Gold Mine provides to the territory as we are and enjoys how these medallions represent both our rich past and our promising future,” adds McConnell.

Limited stock of Victoria Gold’s gold and silver medallions is available for purchase during the upcoming holiday season of giving at [vgcx.com](http://vgcx.com)
