

MINE UPDATE

MAYO RECRUITMENT FAIR AND PPE DONATION TO THE FNNND

On Saturday, February 11, Victoria Gold representatives from a variety of departments at the Eagle Gold Mine hosted a successful recruitment fair in the Village of Mayo. The event allowed individuals from the community interested in, or wanting to learn more about, working at the mine to drop in and ask questions about a career with Victoria Gold and be interviewed with their department of interest.

Victoria Gold provided recruitment fair attendees with a hot lunch and first-hand accounts of how rewarding being a Yukoner At Work at the Eagle Gold Mine can be.

“The Victoria Gold team truly enjoys connecting with community members in person and sharing information about working at the Eagle Gold Mine,” says Victoria Gold President & CEO John McConnell. “We are committed to the health, safety and wellbeing of the mine’s employees and contractors and we look forward to welcoming everyone embarking on a career with us.”

Last Fall, as part of this commitment, the Eagle Gold Mine team was proud to donate \$12,300 of surplus winter Personal Protective Equipment (PPE) to the First Nation of Na-Cho Nyak Dun (FNNND) Lands, Capital and Housing Departments and to the First Nation’s winter cabin building workshop participants.

VICTORIA GOLD IS PROUD TO HAVE YUKONERS AT WORK

IF YOU ARE A YUKONER WITH MINING EXPERIENCE, WE ENCOURAGE YOU TO CONNECT WITH US.

Victoria is currently hiring tradespeople, equipment operators, process/crusher operators and other positions to work at the Eagle Gold Mine. Visit the “Work For Us” page on our website at vgcx.com/contact/work-for-us/ and send your resume to greatpeoplework@vgcx.com.

ABOUT VICTORIA GOLD & THE EAGLE GOLD MINE

The Eagle Gold Mine is situated within Victoria Gold’s 100 per cent-owned Dublin Gulch Property located approximately 375 kilometres north of Whitehorse and 85 kilometres north, northeast of the Village of Mayo within the traditional territory of the First Nation of Na-Cho Nyak Dun. The property is accessible by road year-round and is connected to Yukon Energy Corp’s electrical grid. The mine is a significant contributor to the Yukon economy employing 350-400 people.
