A HISTORY OF THE EAGLE GOLD MINE

VITGOLDCORP.COM

YUKON AUTHOR MICHAEL GATES, WELL KNOWN AS THE TERRITORY'S BELOVED "HISTORY HUNTER", IS RELEASING A NEW BOOK; DUBLIN GULCH: A HISTORY OF THE EAGLE GOLD MINE.

With Forwards by Victoria Gold President and CEO John McConnell, Yukon Premier Sandy Silver and Na-Cho Nyak Dun Chief Simon Mervyn, the book takes readers on a journey spanning gold mining in Dublin Gulch from the late nineteenth century through to the Eagle Gold Mine's momentous first gold pour in September 2019.

*Generations of prospectors and miners have sought to unlock the mineral treasures from the craggy hills of Dublin Gulch, in the heart of the Yukon wilderness. On this tiny tributary located an hour north of the Village of Mayo, families were raised and lives live, dreaming of finding the motherload. **

The book spans six chapters that include: Beginnings, Placer, Hardrock, Growing Pains and The Eagle is Born.

*For a century, miners and their families sifted gold from Dublin gravels, while prospectors with grit, drive and determination burrowed into the granite below, seeking elusive veins of gold. Yet it was there all along, invisible to the eye, waiting for the right people to find it and the right technology to release it from the bedrock. **

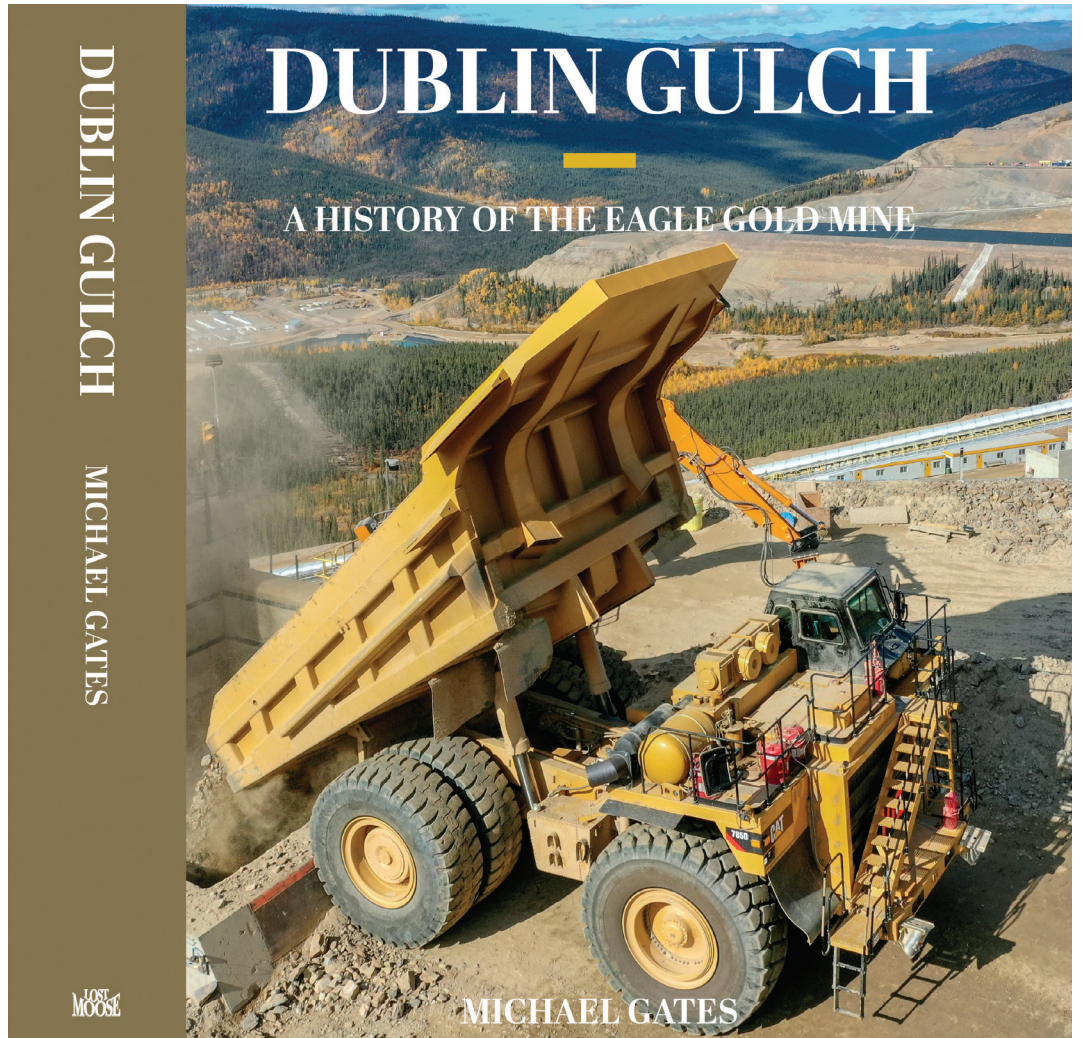

According to Gates, "this story begins with these dreamers and ends with the opening of the Eagle Gold Mine. It is the story of the little company that could, Victoria Gold; of a veteran miner, John McConnell and of his committed team of determined men and women who beat the odds and turned the dream into a reality."
