AME - VGCX OLD TIMER LUNCHEON SERIES

Victoria Gold is pleased and honoured to partner with the Association for Mineral Exploration (AME) to celebrate industry “old timers” with a new luncheon series recognizing AME members, at least 70 years of age, who have made a significant contribution to the BC and Yukon mineral exploration community.

The **AME Old Timer Luncheon Series** will commence with its first of four Victoria Gold Corp sponsored lunches on Wednesday, February 2 from 11:30 a.m. to 1:30 p.m. at AME Roundup in Vancouver.

Registration is required and details can be found at <https://roundup.amebc.ca/event/old-timers-lunch/>

All old timers who have worked in the Yukon’s mining industry are encouraged to attend. Victoria Gold’s AME Silver Sponsorship of this special series ensures that tickets for industry old timers at the AME Roundup luncheon event are complimentary.

“Sharing meals and stories with those who have come before us in the mineral exploration and development industry is very rewarding,” says Victoria Gold President & CEO John McConnell, who initiated the luncheon series. “Learning from the experience and wisdom of our old timers and recognizing the work of the past helps to enrich and inform our industry’s approach to present and future decisions.”

The remaining three luncheons in the Victoria Gold sponsored-series will be scheduled following AME Roundup 2022.

“We are very excited to highlight and reflect upon the contributions our senior industry members have made to mining’s social, technical and environmental foundations,” adds McConnell.
