HALLOWE'EN SAFETY TIPS

As Yukon children and youth across the territory excitedly anticipate all the fun and festivity that Halloween trick-or-treating can bring, the Victoria Gold team encourages our territory's most valued resource to be safe as they head out this Sunday evening.

Some safety tips to keep in mind compiled from the Safe Kids Worldwide organization (safekids.org) include:

Walking Safely

- Cross the street at corners, using traffic signals and crosswalks. Look left, right and left again when crossing and keep looking as you cross.
- Put electronic devices down, keep heads up and do not run across the street.
- Always walk on sidewalks or paths (where available in your community).
- Watch for vehicles that are turning or backing up. Never dart out into the street or cross the street between parked vehicles.
- Adults should join children under age 12 for trick-or-treating.

Costumes for a Safe Halloween

- Decorate costumes and treat bags with reflective tape or stickers and if possible, choose light colours.
- Choose face paint and makeup whenever possible instead of masks, which can obstruct a child's vision.
- Have children carry glow sticks or flashlights for greater visibility by drivers.
- When selecting a costume, ensure it is the correct size to prevent trips and falls.
- Dress your child for the weather.

Always check candy before eating it and please follow all COVID-19 recommendations and guidelines as outlined by the Yukon's Chief Medical Officer of Health and your community leaders.

Super Mario (Eli) is warm and ready for safe and happy trick-or-treating. From the Victoria Gold family to yours, Happy Halloween.
