

THANK YOU

A LOT HAS TAKEN PLACE FOR THE VICTORIA GOLD TEAM SINCE WE CELEBRATED OUR FIRST GOLD POUR AT THE EAGLE GOLD MINE IN SEPTEMBER 2019. Since then, we ramped up mine operations and achieved commercial production on schedule this past Canada Day.

This final milestone represented 11 years of hard work and dedication by our entire team of employees, many of them Yukoners At Work and citizens of the First Nation of Na-Cho Nyak Dun, and our valued partners, suppliers and contractors.

Thank you to everyone involved across the territory for supporting our journey to bring the Eagle Gold Mine to reality.

On February 19, 2020, Victoria Gold graduated to the Toronto Stock Exchange (TSX) and our stock symbol changed to VG CX; opening up the company to a wider investor audience, both domestically and internationally. Accordingly, we updated our logo and our website to vgcx.com.

In June, we were delighted to publish a coffee table book; *Dublin Gulch: A History of the Eagle Gold Mine*, written by Yukon author laureate Michael Gates. This engaging read is full of local history and photographs about the century-long quest to discover the motherlode, which led to the Eagle Gold Mine.

Together, we continued to prioritize the health and safety of Yukon residents and communities and meet and exceed the guidelines and protocols set out by the Yukon Government and the Yukon's Chief Medical Officer of Health.

We look forward to 2021 and your continued support means the world to us.

From my family to yours, I wish you much health and happiness this holiday season and our very best wishes for the New Year.

Sincerely,

John, Tara and Klondike Kate

Happy holidays from John, Tara and Klondike Kate.
