

MESSAGE FROM THE PRESIDENT & CEO

VGCX.COM

THANK YOU WHITEHORSE STAR

On behalf of the Victoria Gold team, we extend our sincere appreciation to Michele, Melanie, Jim, Judy, Vince and the entire Whitehorse Star crew for their decades of dedication in upholding independent print in the territory.

Publishing for 124 consecutive years is an unparalleled accomplishment in Canada.

Locally-produced stories and photos are so important to our shared Yukon identity and we will not only miss the daily news coverage, we will miss seeing our children and our loved ones grace the paper's cover whether in their dance recitals, their science fairs or their sports events.

Each and every week since early October 2018, Victoria Gold has been proud to feature the stories of our employees and our achievements at the Eagle Gold Mine alongside our commitment to the community and to our valued partners.

Since that time, we have produced over 280 unique, full page, full colour features in Friday's paper with the goal to support local and share how the Eagle Gold Mine benefits the territory beyond the production of gold.

We wish the owners and staff every success in their future endeavours and thank them again for their hard work.
